THREE GOOD REASONS

WHY THE RECORD PRESS
CAN AND DOES DO

The Best Printing

WE PAY THE HIGHEST WAGES (by 50, percent) and get superior workmanship.

WE HAVE HIGHEST GRADE MACHINERY. Ours is the only cylinder press in town designed for high grade work, and we have the only new job press.

WE HAVE THE NEWEST TYPE. Practically all our type, and our entire equipment as well, has been installed within the past four years.

The Mount Vernon Record

PPRINTS seventy-five per cent of the news that is printed, three days in advance of any other paper. A comparison will convince you that this true.

No Man Deliberately Buys Poor Clothes

HE thinks they are good, worth the money. Lots of men pay their good money for cheap cotton mixed goods and think they are buying economical.

Cotton mixed stuff is very deceiving; even expert clothing men find it difficult at times to tell whether or not a fabric has cotton in it.

We've seen suits that loaded good enough to sell for \$20 with 60 per cent cotton, really worth about \$6 a suit.

Here you will find men's suits and overcoats from \$10 to \$35. Our lower priced garments have some cotton, but our salesman tells the customer. This renders buying here safe and satisfying. If you are our customer, we know you are satisfied. If not we are anxious for you to try us.

Remember we have the best equipped boys store in Iowa.

LISTEN

WE want to talk to you just a moment. A little over a year ago we sold out the grocery department of this store, and since then we have used all our space and put all our time in the dry goods business with this result. We have a better store, a larger and more complete line for you to select from, more people are buying their dry goods of us than before, our July sales this year showed an increase of almost 100 percent over last year. Every month shows a big increase. This proves this store a success, and it will pay you to trade at a successful store. All goods are sold in their season—we never show you old goods, always up-to-date goods. Don't forget this fact.

This store was established on a foundation of honest dealings with the public. Absolute truthfulness and reliability. Worthy, dependable merchandise at the lowest possible prices. We shall never be undersold. Every purchase bears our guarantee of absolute satisfaction to the customer. We exchange goods and refund money upon request. This policy makes this store a safe and sure place for you to trade.

Our reputation is our capital. We cannot afford to not give you one hundred cents on the dollar in value. Our store is our catalog. Come in and look it over.
